MUHAMMAD AMAN

BSCS Student

PROFILE

I am an ambitious individual with a great passion for computers and software. I have completed my second year of Bachelors in Computer Science (BSCS) at the University of Karachi. I have good developing skills with adequate logic-building and project-management skills. I have good grasp in HTML, CSS JS, REACT, C++, Figma, Illustrator and Photoshop. Along with that I have experience of numerous other technologies and languages.

I am seeking an internship in a software house, so I can put into practice my knowledge and gain valuable experience and skills.
